Our Vision

Through our school ethos and EPIC Curriculum, we aspire to challenge all learners, foster independence, nurture confidence and enthusiasm with wellbeing at the heart of everything we do.

Our Pedagogy

Our EPIC Curriculum:

- the teaching of explicit skills followed by regular opportunities to independently apply skills in practical, engaging and challenging contexts. (EPIC Projects/Challenges)
- Welsh culture & language plays an integral and developing part of our school community.
- Strong links with our local community and use our local area for teaching and learning opportunities.

**TEACHING and
LEARNING**

Our eight behaviours are at the heart of what we do, what we value here at The Dell. Everyone has agreed these behaviours. We use them to demonstrate and promote our value as well as to restore relationships and attitudes wherever possible.
