

Headteacher's Working Lunch

57 Year 6 Respondents – February - May 2017

It's early days but do you think our new 'Behaviours' (Respect, Love, Trust, Happiness, Independence, Courage, Politeness & Friendliness) will help make our school a better place?

Are there enough things for children to do at playtime and lunchtime?

Choose THREE words to describe what lunchtimes and playtimes are actually like (The bigger the word, the more often it was used)

In a few months you will leave The Dell and go to your next school. What will you miss the most about The Dell?

If there is one thing that you could improve about our school, what is it?

Think about EVERYTHING you've learned in lessons, assemblies, trips, visitors and experiences. Do you think the school is good at helping pupils to understand how to keep healthy and safe?

Do you think the school is good at helping pupils to understand about the world, different countries and how people are the same and different?

Since you've been at The Dell, have you EVER WORN A BADGE to show you are in a team. Eg: School Council, Eco Team, Ambassador, Sport Ambassador, Dell FM, Leadership Team, Healthy School or any others.

Do you use the Home Learning Blog?

As your headteacher, is there anything I can do to help you to LEARN better?

- Let the people who have moved from an English school in year 5/6 learn the language they were learning originally
- Not really
- ?
- No
- Help people understand more
- 4 lessons instead of 3
