**If there is one thing that you could improve about our school, what is it?**

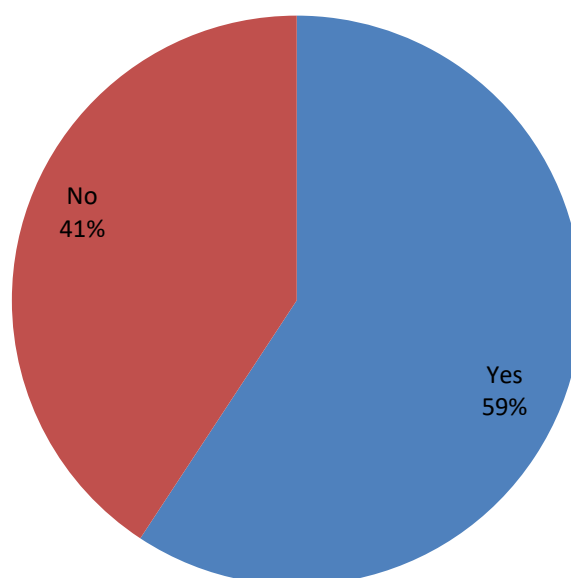

**Think about EVERYTHING you've learned in lessons, assemblies, trips, visitors and experiences. Do you think the school is good at helping pupils to understand how to keep healthy and safe?**

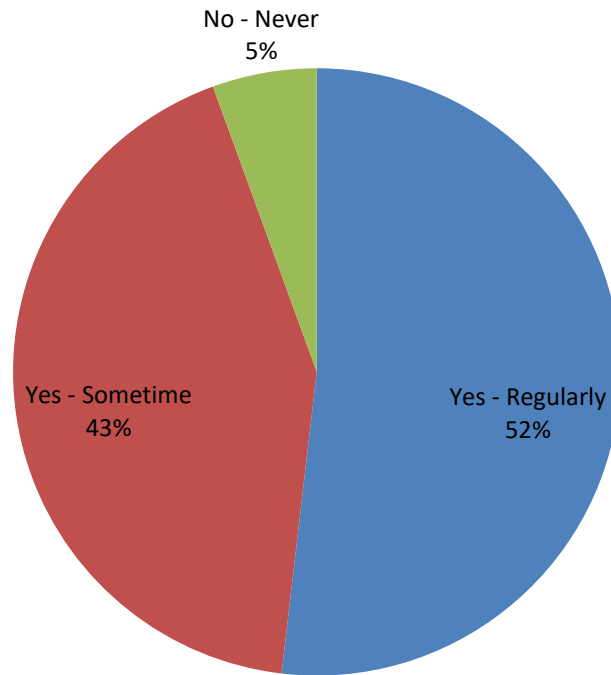

**Think about everything you've learned in lessons, assemblies, trips, visitors and experiences. Do you think the school is good at helping pupils to understand about the world, different countries and how people are the same and different?**

**Since you've been at The Dell, have you EVER WORN A BADGE to show you are in a team. For example: School Council, Eco Team, Ambassador, Sport Ambassador, Dell FM, Leadership Team, Healthy School or any others.**
