26th May 2017

To Aidan, Dan, Amelia, Annabelle, Taylor, Isabelle, Megan, Lucy, Harry, Jake, Chloe and all the children at The Dell Primary School,

We would like to say thank you for taking the time to write this lovely letter. Your letter was read out to all the members of staff and children in school. It is overwhelming to know that others are thinking about us.

It has been a very difficult time for us. Some of our children were at the concert and some of us have felt too scared to come to school. Your heart warming words have helped us to understand that there are good and kind people in this world.

Thank you so much for thinking of all of the children; you have given us strength from your love and support.

We are all trying our best to move forward now. It has been wonderful to see our city uniting as one against this horrible thing which has happened.

From the 276 children and all the staff at The Friars Primary School a very big thank you.

Signed The Friars School Council in Salford, Manchester.
