26. Since we came back to school after lockdown, we have had to change a lot of things. Which things are better now than they were before?

- lunchtime outside assemblies in the class
- assemblies in class (x11)
- break times
- Before
- better lunches and better playtimes
- breaks
- breaktime
- Breaktimes
- challenges and break times
- Classrooms and the outside of school
- Decorations
- definitely the washing hands
- Dinner
- Dinner times have been changed
- Doing more work in school
- Don't know
- Eating outside instead of the hall (x16)
- Even though it's not related to COVID I think that the lunch times outside are better because there is a lot more equipment there to play with.
- Every one is more hygienic no one messes around in the toilet
- Football
- getting in a bit early than before
- going on the field at playtimes and lunchtimes
- Going to school 5 times a week.
- hand washing / social distancing and one way systems
- Handwriting

- Having Lego
- Having Lego to play with at playtimes
- Having lunch outside
- having our own little tyre, going on the field every day except if it is raining
- Having set play times and lunches
- having space to run around
- I agree on what the question said and prefer being in school than being in lockdown so yea
- I believe that lunchtime has improved since we came back after lockdown. I also think the school looks prettier after we ordered the tires during lockdown.
- i do like the hygien an all the keeping clean but i do really prefer mixing
- I enjoy lunch times more
- I like eating out side but I don't like not playing with my frenids in the other class. I don't like having assembly on zoom but like one way system because it keeps us safe.
- I like how we can have lunches outside because it is alot quieter and peasefull
- I like lunch because we can eat outside and I like being in class groups (but I would prefer year groups)
- I like that we can still have fun lockdown didn't stop us from having fun
- i like the handwashing because it makes me feel safe
- i like the new lunches
- I like the tires with the flowers and I'm glad we don't eat in the hall
- I prefer assemblies on zoom
- I prefer the school lunches from before because there outside and sometimes (but I still want all classes to be together) I like that the classes are in different private areas because in short all fun things were crowded e.g I could not go on the tires often or play tire tag which is a very fun game.
- i quite like that we are washing hands more to prectect ourselves but i think that weshould carry it on because it prectects us from flu and other colds and virusis but i dont like eating outside i preffer to be in the warm cosy hall and somthing else i dont like is the fact the two classes cant mix
- I think eating outside is better
- i think having sections to play is better as u can feel safer with your friends and not have to face other years and stuff if u dont want to
- i think it is hand washing and eating lunch outside
- I think that it's better when we get to sit outside for lunch in stead of in the hall where it's cramped and noisy.
- I think that since we came back I like how there is more space to eat and how it seems like we have a lot more time
- I think that some things are better than others.
- I think that the it's better that the food gets delivered to us
- i think that we are now eating outside, because it was very loud in the hall
- i think the lunches are better also the amount of play we have
- I think there was lots of changes around the school including not being able to play with next door and times to play and the church other then that I think it's normal
- i was not here before lockdown
- its safer with the hand washing in place because people could sread germs everyday
- lunch
- keeping social didstanced
- Leaning more
- Leaning more.
- Learning
- Learning

- more days at school.
- more extra play,
- more maths outdoor
- More outdoor learning activities to choose
- My learning
- No I do not like no mix
- none of it
- Not as crowded lunch times
- Not having to do social distancing with my own class.
- Nothing at all
- One way system, eating outside, going on the field at lunch.
- One way system
- outdoor learning
- outdoor learning
- outdoor toys to lure and play with

- Play times and
- play timise
- Playing in separate parts of the play ground.
- Playing properly with friends
- Playing things
- Playtimes have changed
- school lunches
- Seeing all of my best friends and Teachers
- Seeing my friends
- Seeing my friends and teachers in real life instead of online.
- Sitting outside instead of inside is better because you get fresh air.
- social distancing because people could get seriously ill and it could spread and school will have to shut down again . the hwb because when some parents are busy you could go into the hwb and still learn the same amount of work at normal school so i think hwb was a great idea .eating outside because it was a bit of a squish in the hall before lockdown and it is against the social distancing rule
- Sports day
- Sports day
- Staged start and eating outside
- start early
- start school later
- starting early
- Starting early
- starting early
- starting later
- starting school later in morning
- Staying away from people
- Staying two metrures from people
- That we eat outside and that we can play on the field and bring in hats now because it is summertime.
- That we swich toys now
- That. We don't have to eat in the hall.
- the extra play things on the field
- The fact that we get to eat and spend our lunchtimes outdoors.
- the field
- The field because it has a long jump
- The handwashing
- The hygeine
- The lessons
- The lunch times
- the lunches
- The new version of lunch time
- the out door lunch
- the outside eating i love it!
- The path up to the top yard it was a mud bath before now it's nice and colourful
- The relaxed rules about what snack we have .having pe one week and re another bc it gives us time to focus on each task rather than having to split the time
- The school dinners and the hygiene of classmate,as well as the attitude of teachers
- The school dinners are really tasty!
- the thing that has got better since we've come back is the fact we can go out side more to eat our lunch.
- The toilets because they used to be a little bit crowded now it's less crowed
- The topics because we've had a chance to work with and without the equipment we need.
- The washing hands system is so much better. Also I like the playtime now because we have more room.
- There are lots of things to talk about with other people
- theres sanitize
- They were before

- Things are better
- Toilet time
- um there are separated play grounds at lunch and at play times because it is less crowded than it was before we left for lockdown. i also like that we get to eat outside. I would like it if we had the hot lunches outside instead of in side because i like the hot lunches and i also like to eat outside. At lunchtime it better because you get a full side of the field to your class. That is all i like about what we have had to do because of covid. I like of what we did before coronaviurs.
- washing hands
- washing our hand more
- washing our hands
- We are getting on with our work more rosponsibly
- We are in year
- We can eat outside rather than inside.
- We can now do Lego at break time.
- We can now eat on the field and I like that because it is really hot and if we are in thE hall we would be really hot and bothered for the rest of the day
- We can sit outside for lunchtime
- We don't have to social distance from our classmates
- We eat outside
- We get things to play with at break and lunchtime. We aren't stuck in the noisy hall at lunch.
- We get to eat on the playground
- We get to go on the field more often.
- We get to spend time with parents
- We get toys at play
- We have a long jump
- We have a long jump now which is really fun!
- We have learnt to take care of my life and my friends
- We have more time to have a break from the other years
- We wash our hands before eating and i think thats important because we have just been outside.
- Well I like it before because I loved playing with my sister we loved being together it makes me like the before I would really like to be together again so I'm hoping COVID 19 will go soon
- when we come and leave school the stagered stops and starts mean it is not as crowded.
- When we wash our hands I think it is better to do it even when we are in Covid 19 because we would of still carried bad bacteria and I have figured out that we have not been having the cold lately now that we have been coughing into our arms
- Yes
- Yes I would rather stay in class to do assembly because it's to cramped in the hall,also I rather to eat outside because you can hear your friend a bit more.
- yes it is detter
- Yes they are
- You get to eat outside more
